

THE HOWELL POLICE ATHLETIC LEAGUE
IS NOW OFFERING A PROGRAM FOR THE CREATIVE MIND

ATTENTION ALL INVENTORS

SIGN UP NOW!! for this exciting Inventing A-to-Z Workshop! It's hands-on, interactive and loads of fun. The focus is on "Inventing Solutions to Daily Problems"

Learn how you can change an ordinary, everyday product into what could be the next big idea!

The Inventing A-to-Z Workshop is instructed by seasoned inventor Lisa Ascolese. Lisa has sold many of her own products live-on-air as guest host on television shopping networks.

These classes may be video taped for possible future airing on TV.... So dress for the occasion!

- Learn how to think outside of the box by using your creative tools
- Learn what goes into producing a product infomercial for TV
- Learn how to prepare your invention for TV shopping networks
- Understand the advantages of being assertive
- Learn how to protect your invention or idea

Grades k-1 Classes will be held every Monday from 4:00pm to 5:00pm
