

PAL Mommy & Me Programs

Musical Inspirations (12 Week or 6 Week Program)

Through singing, dancing & instrument play, your child will explore music. They will have the opportunity to discover different genres of music while touching, hearing & dancing along with teacher & parent. Each week will have a new theme & instrument to play along with. It is very important the parents join in & learn with the child. Using music & stories we will inspire your child's musical side.
