

**IMPORTANT NOTICE TO ALL PARENTS AND GUARDIANS OF  
HOWELL TOWNSHIP SCHOOL DISTRICT STUDENTS  
JULY 16, 2020**

As the Howell Township School District prepares to reopen their schools in September, the PAL is also preparing to meet all of your needs. The PAL is excited to be able provide the quality childcare and educational experience you have come to expect by offering various options and schedules.

The PAL options and schedules will meet all COVID-19 guidelines and will also coincide with the Howell Township School District reopening plans.

Included in our options are the following:

- **Little PALs Preschool: Full day childcare, infant – 5 years.**
- **Before School Care: Locations to be determined.**
- **After School Care at every district school: Dismissal - 6:00 PM**
- **NEW PROGRAM: Full day childcare ages 5 – 13: 6:30 AM – 6:00 PM.**
  - **Located at the Southard School Community Enrichment Center with additional locations to be determined.**
  - **The full day option will be in session every day, Monday through Friday.**
  - **Virtual and remote learning times will be provided.**

The PAL remains in direct communication with the Howell Township School District and will adjust and modify any and all of our options to meet your needs.

Detailed information concerning all of our options and scheduled will be announced as soon as the school district finalizes and announces their return to school plans.

The PAL also remains in direct communication with representatives from the Governor’s Office, the New Jersey Department of Children and Families, and The Monmouth County Health Department. Any revisions or enhanced COVID-19 guidelines will be immediately implemented.

The PAL goal as schools reopen is to provide students and parents the confidence necessary to allow for a return to needed childcare with an added remote learning opportunity while also ensuring the health and safety of everyone in all of our locations. Our administrators, nurse consultant and staff will take every precaution to care for your children in a safe environment.

The PAL again wishes you all good health and patience as we return to what may be our “new normal”. Please feel free to contact the PAL with any questions and concerns by emailing [info@howellpal.org](mailto:info@howellpal.org)
